

# ADVOCACY SERVICE

Race Equality First run an advocacy service to help people from Black, Asian or Minority Ethnic (BAME) communities across Wales access vital healthcare services. If you are someone who would benefit from the following support, or care for someone who would like our help, please contact Race Equality First on the details below:

## SCREENING APPOINTMENTS

Have you received a letter from Public Health Wales recently about attending a screening appointment and would like to understand what it means?

## LANGUAGE SUPPORT

Do you need someone to help with verbal and written translation? Or to communicate with healthcare professionals and services on your behalf?

## BOOKING APPOINTMENTS

Do you need someone to help you book appointments and speak to healthcare professionals about your health and wellbeing?

## FILLING OUT FORMS

Would you like assistance from one of our Advice Service Managers to fill out forms and/or apply for benefits?

## TRANSPORTATION TO APPOINTMENTS

Do you need help with arranging or booking transportation to attend vital healthcare and screening appointments?

## COMMUNITY CARE & WELLBEING

Do you feel isolated and alone? Do you need help to live independently? Would you like to access befriending and community care services?
